Dear Sir / Madam

27 January 2014

## **SANTA SWEET RUN – PORT ELIZABETH (22 & 24 DECEMBER 2013)**

On behalf of El Shaddai Towing, we would sincerely like to thank you for the help, assistance and sponsorship you provided for our Santa Sweet Run – Port Elizabeth 2013. Thanks to your generous sponsorship, we were able to:

- Bless the elderly at Buffelsfontein Old Age Home with cake and handkerchiefs;
- Treat the children of the Sidwell area to cake and sweet packets;
- Spoil the children of, Coega Door of Hope with individual presents, sweet packets, boerewors rolls, a deep freeze, microwave, cold drinks, and fruit and vegetables;

on 22 December 2013; and then bless and spoil the children of Misisonvale, Algoa Park, Young Park, Ferguson Township, Holland Park, Kensington and Forest Hill with sweet packets on 24 December 2013.

We were also able to hand sweet packets to the members on duty at the Humewood SAPS, South End Fire Station and Radio Control, as a sign of our gratitude for all they do.

These events would not have been the success it was, without your generous support. We deeply appreciate the willingness with which you supported our efforts. We sincerely hope that this association will be maintained.

Please feel free to "like" our Facebook page (Santa Sweet Run – PE) where the events' photos have been posted.

May you be blessed in abundance during 2014.

Yours faithfully
